

ANNUAL REPORT

NAME:

DATE:

The end of each year always lends itself to reflection on how far we've come in the past 12 months. Every one of us has had major experiences worth noting. That's why, at API, we encourage our team and API Registered Professionals to spend the first part of the New Year documenting and celebrating accomplishments.

Try it yourself!

From a professional perspective, what's worth noting?

Education / Training

Leadership

Career-related Accomplishments

Key Wins
